

Our Partners

Celero is a joint venture between three Canadian prairie co-operative organizations. Celero delivers reliable, innovative and cost-effective information technology products and services to prairie credit unions.

(CUPS) provides payment services and related products to credit unions, corporate clients and others in the financial services industry.

National Credit Union Program

At Staples Business Advantage, we want to make buying office essentials the easiest part of your day.

Credit Union Organizations

Alberta Central is the central banking facility, service bureau and trade association for Alberta's credit unions. We are advocates of the financial cooperative model, and provide leadership and support to the credit unions we represent.

SaskCentral is owned by Saskatchewan's 40 credit unions. We are an innovative, socially responsible organization committed to nurturing a business environment where credit unions can thrive.

The Canadian Credit Union Association (CCUA) is the national credit union trade association, representing Canada's credit unions, caisses populaires (outside of Quebec), and regional credit union Central organizations.

Atlantic Central

The Atlantic Provinces credit union system proudly provides a full range of products and services to its members throughout the region.

Credit Union Central of Manitoba

Credit Union Central of Manitoba (CUCM) is the trade association and a service provider for Manitoba's credit unions. Manitoba credit unions jointly own CUCM, and representatives from five peer groups sit on its board of directors.

central 1

Central 1 Credit Union is a credit union central for credit unions in Ontario and British Columbia, as well as a service provider to other financial institutions across Canada.
